Very dear Mrs. Lummis, -

It might be a good idea
to call up the Post Office Community 3114,
& make sure the Post Commission is
meeting Thursday at 2. P.m.,
Room 30 - City Hall -

Before going there Tuesday, - That is

There's regular hour & place of meeting. -
I know you will make a strong case
for the continuance of the Harry Bambert
concerts. - They should have been back
in September & fall months. - There
we can probably get more in Santa
Barbara - & start the whole coast
singing these Spanish songs - as well as
catching the good will of this great
leader. - I will be in L.A. this
week end & call you to hear about result

of your interest. —

Sincerely & cordially yours,
Marion Craig Wentworth.

My dear Mr. Lummis. -

A group of us plan to go before the
Park commission (L.A.) Thursday, July 2. at
2 P.M. & again urge the granting of our
petition to have the Harry Barnhart
Jazz Band concerts in the Parks of
Los Angeles next fall & spring. -

We are to call Mr. Harsett, the
Sec'y of the Board a few days before July 2nd
to ascertain the meeting place of the
commissioners. - I will notify you of this
as soon as I know. -

The petition we put in early in May
asked for \$20,000 for this work of Mr.
Barnhart. - 10,000 for fall months &
10,000 for spring months. - details
to be arranged between Mr. Barnhart & the
Park commission or Sec'y of same. -

The sum named is so important as
that they get him to come. — (That
is it could be more or less.) — It is
for us to convince the commissioners
that it would be a vital & wonderful
thing for Los Angeles & vicinity to
capture Harry Bambard's singing
concerts by the people. — This, I
think, any citizens can ^{help} to do, by
writing a letter to the Park Board to
that effect. — all he needs to say
is — "have Harry Bambard come back
this fall!" — So if you know of any
one who is interested to help, tell him
to write such a letter.

Thank you for your co-operation. Will
let you know of the meeting place about
June 30 — or July 1st.

I should so love to come to
your party Sunday night - to (see)
Alma Real personally how much I
enjoyed her concert here - (This is
beautiful) - but here I am up here
I can't get away for another week.
but thank you heartily for
inviting me. —

Cordially Sincerely

Marion Craig Wentworth

My Dear Mrs. Wentworth:

Thank you for your gentle letter, which gives me more specific information than I had before.

I have marked down July 2nd at 2 P.M. in my diary, and will make every effort to be on hand with your committee - if you only let me know where the meeting is to be.

Sorry you could not be here Sunday night. We gave lovely Alma Real a beautiful good-by.

With high regard and best wishes,

Sincerely Yours,

CFL/O
